I. Subscribers who do not give express no-tice to the contrary, are considered as wish-ling to continue their subscription.

II. If subscribers order the discontinuance of their papers, the publisher may continue to send their till all that is due be paid.

If I fisubscribers reglect or refuse to take their papers from the office to which they are directed, they are held responsible till they have settled their bills and ordered their pa-

pers discontinued.

IV. If subscribers move to other places without informing the publisher, and the paper is sent to the former direction, they are brid responsible.

to take a paper from the office, or removing and leaving it uncalled for, is prima facie ev-idence of intentional fraud.

200 PER CENT ABSURED! A NEW DISCOVERY AND INVENTION

Pholps' Ohio Combination Patent Bee Hive was awarded the first premium and distance at the Ohio State Fair. September, 1851, over Kelsey's, Pughdies, Case & Landretti's Wheelsey's and Giffmere's, also a diploma for the best Hive at the Indiana State Fair, and a permium at the New York State Fair, and a permium at the New York State Fair, and a permium at the New York State Fair, and a permium at the New York State Fair. September, 1852, also at the Crestal Palare and accumerous County Fairs. It is acknowledged by all practical bear keepens, stands marvalled, and ahead of all other Hives yet known, to be what its mame indicates, a combination of all those principles necessary to the sheetshift management of Beers. Many persons have been obliged to aliandon the bestimes on an econic of file ravages of the Bee Moth and frequent losses by starvation. This Hive by simple arrangement grants most officentally against those two great evids. It is also equally well adaptated to large or a mad swarming, or dividing hive, and in fact it excels all ethres. Every homer, mechanic, physician, lawyer, gentlemen, lady and cherge or a mad wall diversion for a swarming or dividing hive, and in fact it excels all ethres. Every homer, mechanic, physician, lawyer, gentlemen, lady and cherge or a fix is and dark the perfect of a ready with parter it in the event of the been with second and the operation of the been with second without combing an contact with them. The advantages it posses we over others are as follows:

1 to the perfect adaptation in regard to size in them, but we many of an apparation of the been without of in regard to the second of a contact with them. The advantages it posses we over others are as follows:

24. The facilities it amonds for advantages at all seasons, but it for a large cosmolities.

24. The facilities it amonds for advantaging an home of announce of the best decreased and the old combe, are superior to any other, as the

for now and then poisoning to any more ea the kingdom over he could not have and most astonishing duration of life.

To any more to surpass his " Dear Louisa A variety of such notions were long has become obnexious to them. They have not however, attained the elegance in the art of silent destruction which has people who cannot be bought to reason by other means. The Greek gentlement understand this; and avoid personal counters, therefore, as much as possible.

Regular Turks are fatalists. They are not of the opinion of Pope and most nature is not only held fast in Fate, but that Fate holds the human will in its tight grasp also. They believe that everything from the growth of listle apples to the roasting of Greek rebels, was pre-ordained. Thus, they are not fond.

The Courter's understand this; and avoid personal counters, therefore, as much as possible. They dook his seat. His health was then to those of the elephant and the rhimedical the carry moment to be increasing, when one of the much and ashes mixture, add half a bushel of ashes, and a peck of salt.

Some—particularly Hensler, have company with a knowing look, asked Mr. Simple "if he had yet been up to the that Fate holds the human will in its tight grasp also. They believe that coverything from the growth of listle apples to the roasting of Greek rebels, was pre-ordained. Thus, they are not fond.

A scene of laughter of a fash of suspicion seemed to cross him as he entered, but he quietly food his seat. His health was then to those of the elephant and the rhimedical the carry ages was of salt.

Some—particularly Hensler, have company with a knowing look, asked Mr. Simple "if he had yet been up to the that to the time of Abraham the year consisted of only three mouths; that it was afterwards extended to eight; and have assumed habits of civilization.
